Excellent employee interaction. Firefighters ate in front of us and two FHP soldiers waited. These are good signs. The salad bar was standard sonny so good, but not great. Among the dishes were extracted pork, smoked turkey, pulled pork sandwich, green beans,... coleslaw, garlic bread, French fries and fried okra. So almost everything was good, the meat was very good or better, and the folds potatoes were a little hard and chewed. The fried okra was great! It was easy to bread and cooked correctly. Photo from my plate. The food is great.
